

## Participation in ICCO workshop

ICCO with collaboration of Plan B organized a two days workshop on communication. The objective of this workshop was to enhance the reporting pattern so that quality of the report can be improved. The workshop was organized with the ICCO partners only. Around 20 partners from various states participated in the workshop.

### **Outcome**

Participants could improve their learning about the quality writing of a report through various exercises. It was also an opportunity to interact with ICCO partners and to understand their work and priorities and also share about CECOEDECON's work with them. It was held in Delhi and Mr. Alok Vyas represented CECOEDECON.
