

## **Participation in PSAARC meeting**

People's SAARC has developed as a platform for sharing, forging and strengthening solidarity and linkages between progressive organizations and individuals in South Asian countries with the common aim of promoting a movement for democracy and justice, and to build people's resistance against the forces of globalization and imperialism across nations.

The objective of the meeting of PSAARC in Rajasthan was to establish Rajasthan chapter for strengthening regional processes. The meeting was held at IDS, Jaipur and around 25 participants across Rajasthan participated in the meeting

### **Outcome**

A committee was formed to identify issues of Rajasthan and to coordinate the processes between national and state level. Cechoedcon is also a member of the committee.
