

## **Visit of Florida Group on 25-26 July, 2013**

A group of 15 students led by Dr. Muthusami Kumaran, the coordinator, Department of family Youth and community services, University of Florida USA visited CECOEDECON on 25<sup>th</sup> and 26<sup>th</sup> July, 2013. The objective of this visit was to expose the students to the development initiatives of the NGO's especially with the marginalized communities.

The program included presentations about development efforts of NGO's, field visit and interaction with the communities and staff. The feedback session highlighted the successful organization of the visit and the learning s that the participant could gain through the short visit. Discussion on the possibility of a continued collaboration with University of Florida was held and a tentative plan was also worked out.

## **Students of Norwegian University visited CECOEDECON from 8-10<sup>th</sup> August, 2013**

The purpose of this visit was to introduce these students with the different development interventions being undertaken by CECOEDECON.

The Students visited the Aanganwari training centre at Shilki. They also had interaction with the representatives of the cooperative, KSS and SHGs.

During their stay they could explore the areas on which they can undertake their research projects. The students were formally associated with IDS Jaipur.
